Fruit SA Intern 2019/2020

The ideal Fruit SA Intern is a self-starter who can deal with complexity and has high levels of energy with any of the following degrees: BAgric, BSc or BCom in: *Agriculture / Environment/ Marketing / Logistics / Economics or any fruit industry value chain related field of study.*

Intern responsibilities: Plan and coordinate relevant administrative, logistical and operational matters. Process and organize information. Writing reports and letters and other correspondence to stakeholders. Represent Fruit SA at various industry and other stakeholder engagements, seminars, conferences, symposiums and other public events. The variety of responsibilities will develop together with the intern's skills levels.

Application requirements: Excellent verbal and written English communication skills. High degree of computer literacy (MS Office). Ability to collect, organize and critically analyze information. Strong organizational and planning skills. Self-confident, assertive and highly responsive. Ambitious, self-motivated and results-driven. Problem solver able to perform well under pressure. Integrity, sound ethics and high standards for self and others. Applicants must be under the age of 30.

Please send your CV and a one-page motivational letter to assistant@fruitsa.co.za before **14 August 2019**.

Market related stipend for the period of twelve months will be paid to the appointed intern.

NB: Late applications will not be considered. If you have not been contacted within 2 weeks of the closing date, please consider your application unsuccessful.
